# INTRODUCTION

Government programs designed to benefit the public as a whole often result in acquisition of private property, and sometimes in the displacement of people from their residences, businesses, nonprofit organizations, or farms.

To provide uniform and equitable treatment for persons displaced, Congress passed the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, and amended it in 1987. This law, called the Uniform Act, is the foundation for the information discussed in this brochure.

Acquisition and relocation policies and provisions for all Federal and federally assisted programs and projects are contained in the government-wide rule published in the Federal Register on January 4, 2005. The rules are reprinted each year in the Code of Federal Regulations (CFR), Title 49, Part 24. All Federal, State, local government agencies, and others receiving Federal financial assistance for public programs and projects that require the acquisition of real property must comply with the policies and provisions set forth in the Uniform Act and the regulation.

The acquisition itself does not need to be federally funded for the rules to apply. If Federal funds are used in any phase of the program or project, the rules of the Uniform Act apply.

Section 1 of this brochure provides information about relocation assistance advisory service. Section 2 contains information important to you if you are being displaced from a residence. Section 3 contains information for displaced businesses, farms, and nonprofit organizations.

If you are required to move as a result of a Federal or federally assisted program or project, a relocation counselor will contact you. The counselor will answer your specific questions and provide additional information you may need. If you have a disability that prevents you from reading or understanding this brochure, you will be provided appropriate assistance. You should notify the sponsoring Agency if you have special requirements for assistance.

This brochure explains your rights as an owner of real property to be acquired for a federally funded program or project. The requirements for acquisition of property are explained in a brochure entitled Acquisition, Acquiring Real Property for Federal and Federal-aid Programs and Projects. Acquisition and relocation information can be found on the Federal Highway Administration Office of Real Estate Services website [www.fhwa.dot.gov/realestate](http://www.fhwa.dot.gov/realestate)

## **IMPORTANT TERMS USED IN THIS BROCHURE**

---

### **Agency**

Relocation assistance advisory services and payments are administered at the local level by an Agency responsible for the acquisition of real property and/or the displacement of people from property to be used for a federally funded program or project. The Agency may be a Federal agency, a State agency, a local agency, such as a county or a city, or a person carrying out a program or project with Federal financial assistance. The Agency may contract with a qualified individual or firm to administer the relocation program. However, the Agency remains responsible for the program.

## **Alien Not Lawfully Present**

The law provides that if a displaced person is an alien not lawfully present in the United States such person is not eligible for relocation payments or assistance under the Uniform Relocation Assistance and Real Property Acquisition Policies Act, unless ineligibility would result in exceptional and extremely unusual hardship to the alien's spouse, parent or child, and such spouse, parent or child is a citizen or an alien lawfully admitted for permanent residence.

## **Business**

Any lawful activity, with the exception of a farm operation, conducted primarily for the purchase, sale, lease, and rental of personal or real property; or for the manufacture, processing, and/or marketing of products, commodities, or any other personal property; or for the sale of services to the public; or solely for the purpose of the Uniform Act, an outdoor advertising display or displays, when the display(s) must be moved as a result of the project.

## **Displaced Person**

Any person (individual, family, partnership, association or corporation) who moves from real property, or moves personal property from real property as a direct result of (1) the acquisition of the real property, in whole or in part, (2) a written notice from the Agency of its intent to acquire, (3) the initiation of negotiations for the purchase of the real property by the Agency, or (4) a written notice requiring a person to vacate real property for the purpose of rehabilitation or demolition of improvements, provided the displacement is permanent and the property is needed for a Federal or federally assisted program or project.

## **Farm**

Any activity conducted solely or primarily for the production of one or more agricultural products or commodities, including timber, for sale and home use, and customarily producing such products or commodities in sufficient quantity to be capable of contributing materially to the operator's support.

## **Nonprofit Organization**

A public or private entity that has established its nonprofit status under applicable Federal or State law.

## **Program or Project**

An activity or series of activities undertaken by a Federal agency, or an activity undertaken by a State or local agency with Federal financial assistance in any phase of the activity.

## **Small Business**

A business having not more than 500 employees working at a site which is the location of economic activity and which will be acquired for a program or project, or is displaced by a program or project. A site occupied solely by an outdoor advertising sign(s) does not qualify for purposes of the reestablishment expense benefit.

## SECTION 1 – RELOCATION ADVISORY SERVICES

A relocation counselor will contact you and offer relocation assistance service.

Any individual, family, business or farm displaced by a Federal or federally assisted program shall be offered relocation assistance services for the purpose of locating a suitable replacement property. Relocation services are provided by qualified personnel employed by the Agency. It is their goal and desire to be of service to you, and assist in any way possible to help you successfully relocate.

Remember, your relocation counselor is there to **help** and **advise** you, so please be sure to make full use of the counselor's services. Do not hesitate to ask questions and be sure you fully understand all your rights and benefits.

An individual with a disability will be provided the assistance needed to locate and move to a replacement dwelling or site. The individual should notify the Agency of any special requirements for assistance.

### **RESIDENTIAL ASSISTANCE**

---

A relocation counselor from the Agency will contact and interview you to find out your needs. Relocation services and payments will be explained in accordance with your eligibility. During the initial interview your housing needs and desires will be determined as well as your need for assistance.

The counselor will offer assistance and provide a current listing of comparable properties. You will be provided a written determination of the amount of replacement housing

payment for which you qualify. The counselor can supply information on other Federal and State programs in your area.

Transportation will be offered to inspect housing referrals. The Agency will provide counseling or help you get assistance from other sources as a means of minimizing hardships in adjusting to your new location.

You cannot be required to move unless at least one comparable decent, safe, and sanitary (DSS) replacement dwelling is made available to you.

Please let your counselor know if you locate a replacement dwelling so that it can be inspected to assure that it meets DSS standards.

## **BUSINESS, FARM, AND NONPROFIT ORGANIZATION ASSISTANCE**

---

A relocation counselor from the Agency will contact and interview you to find out your needs and replacement site requirements and estimate the time needed to accomplish the move. Relocation services and payments will be explained in accordance with your eligibility. It is important to explain to the counselor any anticipated problems. During the initial interview the relocation counselor will ask many questions to determine your financial ability to accomplish the move, including lease terms and other obligations.

The counselor will help determine the need for outside specialists to plan, move, and reinstall personal property. The counselor will identify and resolve any issues regarding

what is real estate and what is personal property to be relocated. The counselor will explore and provide advice as to possible sources of funding and assistance from other local, State, and Federal agencies. In addition, as needed, the relocation counselor will maintain listings of commercial properties and farms.

The goal is to achieve a successful relocation back into the community.

### **Social Services Provided By Other Agencies**

Your relocation counselor will be familiar with the services provided by other public and private agencies in your community. If you have special problems, the counselor will make every effort to secure the services of those agencies with trained personnel who have the expertise to help you. Make your needs known in order that you may receive the help you need.

### **MOVING COSTS**

---

If you qualify as a displaced person, you are entitled to reimbursement of your moving costs and certain related moving expenses. Displaced individuals and families may choose to be paid either on the basis of actual, reasonable moving costs and related expenses, **or** according to a fixed moving cost schedule. To assure your eligibility and prompt payment of moving expenses, you should contact the relocation counselor from the Agency before you move.

#### **Actual, Reasonable Moving Costs**

You may be paid for your actual, reasonable moving costs by a professional mover plus related expenses, **or** you may move yourself. Reimbursement will be limited to a 50-mile distance in most cases. Related expenses involved in the move may include:

- Packing and unpacking personal property.
- Disconnecting and reconnecting household appliances.
- Temporary storage of personal property.
- Insurance while property is in storage or transit.
- Transfer of telephone service and other similar utility reconnections.
- Other expenses considered eligible by the Agency.

All expenses must be considered necessary and reasonable by the Agency and supported by paid receipts or other evidence of expenses incurred.

### **Fixed Moving Cost Schedule**

You may choose to be paid on the basis of a fixed moving cost schedule established for your State of residence. The amount of the payment is based on the number of rooms in your dwelling. Your relocation counselor will be able to tell you the exact amount you will be eligible to receive if you select this option. The schedule is designed to include all of the expenses incurred in moving, including those services that must be purchased from others.

If you are the owner of a displaced mobile home, you may be entitled to a payment for the cost of moving the mobile home to a replacement site on an actual cost basis. Displaced mobile home occupants (owners or tenants) may also be eligible for a payment for moving personal property from the mobile home such as furniture, appliances and clothing on an actual cost basis, or on the basis of a moving cost schedule. For a complete explanation of all moving cost options involving a mobile home, please discuss the matter with your relocation counselor.

## **REPLACEMENT HOUSING**

---

There are three types of replacement housing payments: purchase supplement, rental assistance, and downpayment. To understand replacement housing payments you first need to become familiar with the terms **Comparable; Financial Means; Decent, Safe, and Sanitary (DSS); and Last Resort Housing.**

## **Comparable**

A comparable replacement dwelling must be DSS and functionally equivalent to your present dwelling. While not necessarily identical to your present dwelling, a comparable replacement dwelling should provide for the same utility and function as the dwelling from which you are being displaced. In addition, a comparable replacement dwelling should be:

- Adequate in size to accommodate the occupants (e.g., you and your family).
- Located in an area that is not subject to unreasonable adverse environmental conditions.
- Located in an area that is not less desirable than your present location with respect to public utilities and commercial and public facilities.
- Reasonably accessible to your place of employment.
- Located on a site that is typical in size for residential development with normal site improvements.
- Currently available on the private market.
- Within your financial means.

## **Financial Means**

For a homeowner, if a purchase supplement is needed and provided, in addition to the acquisition price for your dwelling, then the replacement dwelling is considered to be within your financial means.

For a tenant, the monthly rent and estimated average monthly utility (electricity, gas, other heating and cooking fuels, water and sewer) cost for a comparable replacement dwelling is considered to be within financial means if, after receiving rental assistance, this amount does not exceed the base monthly rent (including average monthly utility cost) for the dwelling from which the tenant is displaced.

The Agency may need to calculate the base monthly rent using 30% of the displaced tenant's total monthly gross household income, if that income qualifies as low income in accordance with established low income amounts determined by the U.S. Department of Housing and Urban Development (HUD).

The Agency will also evaluate the amounts designated for shelter and utilities for a tenant that receives government assistance.

The rental assistance payment will be computed using the lesser of the three (rent and average monthly utility cost; 30% of the total monthly gross household income for a qualified low income tenant; or the total amount designated for shelter and utilities for a tenant receiving government assistance). To ensure the maximum benefit, it is important to provide the Agency appropriate evidence of total monthly household income when asked. There are some amounts that are not included as monthly household income, including income earned by dependents. The Agency will explain this procedure in greater detail.

## **Decent, Safe, and Sanitary**

The DSS standard means the replacement dwelling meets the minimum requirements established by Federal regulations and conforms to applicable local housing and occupancy codes. The dwelling shall:

- Be structurally sound, weathertight, and in good repair.
- Contain a safe electrical wiring system adequate for lighting and other devices.
- Contain a heating system capable of sustaining a healthful temperature (approximately 70 degrees Fahrenheit) except in those areas where local climatic conditions do not require such a system.
- Be adequate in size with respect to the number of rooms and area of living space to accommodate the displaced person.
- Contain a well-lighted and ventilated bathroom providing privacy to the user and containing a sink, bathtub or shower stall, and a toilet, all in good working order and properly connected to appropriate sources of water and sewage drainage system.
- Contain a kitchen area with a fully usable sink, properly connected to potable hot and cold water and to a sewage drainage system, with adequate space and utility connections for a stove and refrigerator.
- Have unobstructed egress to safe, open space at ground level.

- Be free of any barriers which prevent reasonable ingress, egress or, in the case of a handicapped displaced person, use of the dwelling.

## **IMPORTANT NOTICE**

Please understand that the replacement dwelling inspection for decent, safe, and sanitary requirements is conducted by Agency personnel for the sole purpose of determining your eligibility for a relocation payment. Therefore, you must not interpret the Agency's approval of a dwelling to provide any assurance or guarantee that there are no deficiencies in the dwelling or in its fixtures and equipment that may be discovered at a later date. It is your responsibility to protect your best interest and investment in the purchase or rental of your replacement property and you must clearly understand that the Agency will assume no responsibility if structural, mechanical, legal, or other unforeseen problems are discovered after the inspection has been conducted.

### **Last Resort Housing**

The term Last Resort Housing is an administrative procedure authorized by law to address those times when comparable replacement housing is not available under statutory limits specified in law. The law and regulation allow the Agency to provide a replacement housing payment in excess of the statutory maximums of \$5,250 and \$22,500. Because this provision is commonly used, the statutory maximums will not be restated throughout this brochure.

The Agency must provide comparable replacement housing, that is DSS and within your financial means, before you are required to move. The Agency may provide the necessary housing in a number of ways, such as:

- Making a replacement housing payment in excess of the maximum \$5,250 or \$22,500 statutory limits.
- Purchasing an existing comparable residential dwelling and making it available to you in exchange for your dwelling.
- Moving and rehabilitating a dwelling and making it available to you in exchange for your property.
- Purchasing, rehabilitating or reconstructing an existing dwelling to make it comparable to your property.
- Purchasing land and constructing a new replacement dwelling comparable to your dwelling when comparables are not otherwise available.
- Purchasing an existing dwelling, removing barriers or rehabilitating the structure to accommodate a handicapped displaced person when a suitable comparable replacement dwelling is not available.
- Providing a direct loan which will enable you to construct or contract for the construction of a decent, safe, and sanitary replacement dwelling.

## **Freedom of Choice**

All eligible displaced persons have the freedom of choice in the selection of a replacement dwelling. The Agency will not require you, without your written consent, to accept a replacement dwelling provided by the Agency. If you decide not to accept the replacement housing offered by the Agency, you may secure a replacement dwelling of your choice but it must meet the DSS standard.

If you are eligible for Last Resort Housing, your relocation counselor will thoroughly explain the program to you.

## **Length of Occupancy – Basic Occupancy Requirements**

The type of payment you are eligible for depends on whether you are an owner or a tenant, and how long you have lived in the property being acquired prior to the initiation of negotiations. “Length of occupancy” simply means counting the number of days that you occupied the dwelling before the date of initiation of negotiations by the Agency for the purchase of the property.

The term “initiation of negotiations” is usually the date the Agency makes the first personal contact with the owner of real property, or his/her representative, to provide a written offer to purchase the property being acquired.

Owners who were in occupancy 180 days or more prior to the initiation of negotiations may be eligible for a purchase supplement or a rental assistance payment.

Tenants who were in occupancy 90 days or more prior to the initiation of negotiations may be eligible for a rental assistance payment or a downpayment.

Owners who were in occupancy 90 days to 179 days prior to the initiation of negotiations, may be eligible for a rental assistance payment or a downpayment, however, the downpayment cannot exceed the amount you would have received if you had been a 180-day owner.

If you were in occupancy at the time of the initiation of negotiations, but less than 90 days prior to that date, you are considered a displaced person entitled to relocation assistance advisory services and moving payments. You may be entitled to a rental assistance payment if comparable replacement rental housing is not available within your financial means. The Agency will use the financial means test described earlier in this brochure. This involves checking to see if you qualify as low income using the HUD definition. If so, and you are required to pay rent and utilities in excess of 30% of your average monthly gross household income for a comparable replacement dwelling unit, you may be eligible for a rental assistance payment under Last Resort Housing because comparable replacement housing is not available within your financial means. You should meet with your relocation counselor for an explanation of the relocation benefits that you may be eligible to receive.

# REPLACEMENT HOUSING – PURCHASE SUPPLEMENT

---

## **For Owner Occupants of 180 Days or More**

If you are an owner and occupied your home for 180 days or more immediately prior to the initiation of negotiations for your property, you may be eligible - in addition to the fair market value of your property - for a supplemental payment for costs necessary to purchase a comparable DSS replacement dwelling. The Agency will compute the maximum payment you are eligible to receive. You must purchase and occupy a DSS replacement dwelling within one year. A purchase supplement has three components: a price differential, an amount for increased mortgage interest and incidental expenses. The purchase supplement is in addition to the acquisition price paid for your property.

### **Price Differential**

The price differential payment is the amount by which the cost of a replacement dwelling exceeds the acquisition cost of the displacement dwelling.

### **Increased Mortgage Interest**

You may be reimbursed for increased mortgage interest costs if the interest rate on your new mortgage exceeds that of your present mortgage. To be eligible your acquired dwelling must have been encumbered by a bona fide mortgage which was a valid lien for at least 180 days prior to the initiation of negotiations.

## Incidental Expenses

You may be reimbursed for other expenses such as reasonable costs incurred for title search, recording fees, and certain other closing costs, but not for prepaid expenses such as real estate taxes and property insurance.

## Example of a Price Differential Computation

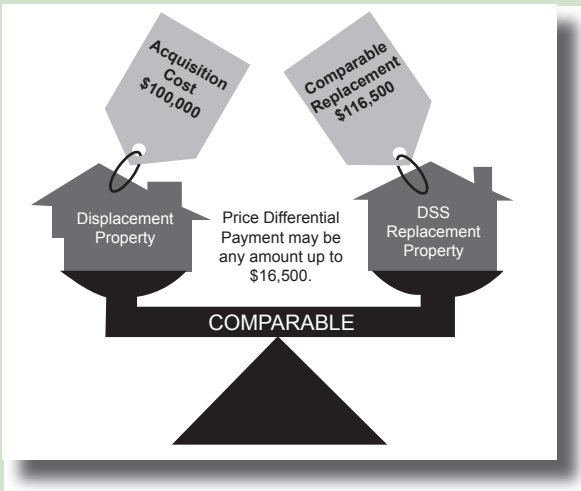

**Example A:** Assume the Agency purchases your property for \$100,000. After a thorough study of available comparable residential properties on the open market, the Agency determines that a comparable replacement property will cost \$116,500. If you purchase a DSS replacement property for \$116,500, you will be eligible for a price differential payment of \$16,500.

**Example B:** If you purchase a DSS replacement property costing more than \$116,500, you pay the difference as shown in Example B.

**Example C:** If your purchase price is less than \$116,500, the price differential payment will be based on your actual cost.

<b>Agency Computation of Maximum Price Differential Payment</b>	Cost of Comparable Replacement Acquisition Price of Your Property <b>Maximum Price Differential Payment</b>	\$116,500 <u>- 100,000</u> <b>\$ 16,500</b>
<b>Example A</b>	Actual Cost of Replacement Property (Same Purchase Price as Comparable) Acquisition Price of Your Property <b>Price Differential Payment</b>	\$116,500 <u>- 100,000</u> <b>\$ 16,500</b>
<b>Example B</b>	Actual Cost of Replacement Property Acquisition Price of Your Property Difference  <b>Price Differential Payment</b>  You Are Responsible for This Amount	\$125,000 <u>- 100,000</u> \$ 25,000  <b>\$16,500</b>  \$8,500
<b>Example C</b>	Actual Cost of Replacement Property Acquisition Price of Your Property <b>Price Differential Payment</b>  Payment is Based on Actual Cost	\$114,000 <u>- 100,000</u> <b>\$ 14,000</b>

# REPLACEMENT HOUSING – RENTAL ASSISTANCE

---

## **180-Day Owners Who Elect to Rent**

A rental computation will be computed based on a determination of the fair market rent for the acquired dwelling compared to a comparable rental dwelling available on the market. The difference will be multiplied by 42. In no circumstances will the rental assistance payment exceed the amount the owner would have received as a price differential described previously.

## **For Owner Occupants and Tenants of 90 Days or More**

Owner occupants and tenants of 90 days or more may be eligible for a rental assistance payment. To be eligible for a rental assistance payment, tenants and owners must have been in occupancy at least 90 days immediately preceding the initiation of negotiations for the acquisition of the property.

This payment is designed to enable you to rent a comparable decent, safe, and sanitary replacement dwelling for a 42-month period. If you choose to rent a replacement dwelling and the cost of rent and utilities are higher than you were paying, you may be eligible for a rental assistance payment. The Agency will determine the maximum payment you may be eligible to receive in accordance with established procedures.

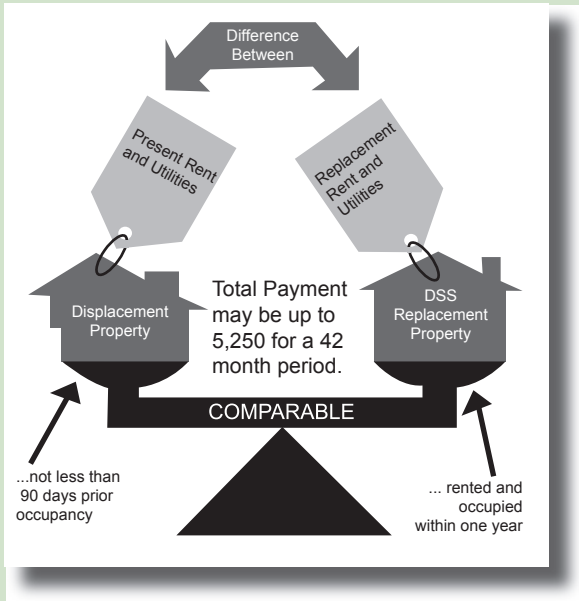

The rental assistance payment will be paid in a lump sum unless the Agency determines that the payment should be paid in installments. You must rent and occupy a DSS replacement dwelling within one year to be eligible.

## Example

Assume you have been paying \$500 per month rent for the dwelling unit occupied by you and purchased by the Agency. You also pay \$150 per month for utilities (electricity, gas, other heating and cooking fuels, water, and sewer). The rental assistance payment computation always includes the cost of basic utilities (electricity, gas, other heating and cooking fuels, water, and sewer), as well as the cost of rent. If rent includes utilities, a separate computation is not necessary.

After a study of the rental market, the Agency determines that replacement rental unit, that is DSS and comparable to your unit, is available for \$600 per month. It is estimated that average monthly utility costs for the replacement unit will be \$175 per month. The maximum rental assistance payment you can receive is \$125 per month for a 42-month period, or a total of \$5,250.

**Example A:** If you select a DSS replacement dwelling unit that rents for \$650 per month plus \$175 for utilities, despite the availability of comparable DSS replacement rental units that rent for \$600 per month plus \$175 for utilities, you will receive the maximum amount computed by the Agency, or \$5,250. You will be required to pay the additional \$50 per month yourself.

**Example B:** If you select a DSS replacement dwelling unit that rents for more than your present unit, but less than amount determined by the Agency as necessary to rent a comparable unit, your payment will be based on actual cost. For example, assume you select a replacement dwelling unit that rents for \$575 per month plus \$165 for utilities. On the basis of actual cost, you will be eligible for a payment of \$90 per month for 42 months, or \$3,780.

<b>Agency Computation of Maximum Rental Assistance Payment</b>	Rent You are Currently Paying	\$500
	Plus Cost for Utilities You are Paying	<u>+150</u>
		\$650
	Rent for a Comparable DSS Dwelling	\$600
	Estimated Cost for Utilities	<u>+175</u>
		\$775
	Difference (\$775-650=\$125) x 42 months	\$5250
	<b>Maximum Rental Assistance Payment</b>	<b>\$5250</b>
<b>Example A</b>	Actual Rent for DSS Replacement Property	\$650
	Plus Estimated Cost for Utilities	<u>+175</u>
		\$825
	Difference (\$825-650=\$175) x 42 months	\$7350
	<b>Rental Assistance Payment</b>	<b>\$5250</b>
<b>Example B</b>	Actual Rent for DSS Replacement Property	\$575
	Plus Estimated Cost for Utilities	<u>+165</u>
		\$740
	Difference (\$740-650=\$90) x 42 months	\$3780
	<b>Rental Assistance Payment</b>	<b>\$3780</b>

# REPLACEMENT HOUSING – DOWNPAYMENT

---

## **Owner Occupants of 90 to 179 Days and Tenants of 90 Days or More**

Owner occupants of 90 to 179 days and tenants of 90 days or more may be eligible for a downpayment and incidental expenses. The Agency will determine the maximum downpayment you may be eligible to receive based on its computation for a rental assistance payment. However, the payment for a displaced owner occupant shall not exceed the amount that would have been received by a 180-day owner for the same property.

To be eligible for the full amount of the downpayment assistance payment, the entire payment must be used to purchase a DSS replacement dwelling. The payment may be utilized for a downpayment toward the purchase price and/or eligible incidental expenses. Incidental expenses include the reasonable costs of title search, recording fees, and certain other closing costs but do not include prepaid expenses such as real estate taxes and property insurance. You may be eligible for the reimbursement of loan origination or loan assumption fees if such fees are normal to real estate transactions in your area and do not represent prepaid interest. The combined amount of the downpayment and incidental expenses cannot exceed the amount the Agency computed as your maximum rental assistance payment.

The relocation counselor will explain how the Agency determines the maximum downpayment assistance payment.

## **DSS REMINDER**

It is very important to remember that the replacement dwelling you select must meet the basic DSS standard. Do not execute a sales contract or a lease agreement until a representative from the Agency has inspected and certified in writing that the dwelling you propose to purchase or rent meets the DSS standard. Please do not jeopardize your right to receive a replacement housing payment by moving into a substandard dwelling.

## **FAIR HOUSING LAWS**

Title VI of the Civil Rights Act of 1964 and Title VIII of the Civil Rights Act of 1968 set forth the policy of the United States to provide, within constitutional limitations, for fair housing throughout the United States. These Acts and Executive Order 11063 make discriminatory practices in the purchase and rental of residential units illegal if based on race, color, religion, sex, or national origin.

Whenever possible, a minority person shall be given reasonable opportunity to relocate to a DSS replacement dwelling which is not located in an area of minority concentration, that is within their financial means. This policy does not require an Agency to provide a displaced person with a larger payment than is necessary to enable the person to relocate to a comparable replacement dwelling.

## **MOVING COST REIMBURSEMENT**

---

Owners or tenants may be paid on the basis of actual, reasonable moving costs and related expenses or, under certain circumstances, a fixed payment. Actual, reasonable moving expenses may be paid when the move is performed by a professional mover or if you move yourself. Related expenses, such as personal property losses, expenses in finding a replacement site, and reestablishment expenses may also be reimbursable.

You must provide the Agency with an inventory of the personal property to be moved and advance notice of the approximate date of the move, unless the Agency specifically tells you these notices are not necessary.

The Agency has the right to inspect the personal property at the displacement and replacement sites, and to monitor the move.

### **Actual Cost Move**

You may be paid the actual, reasonable and necessary cost of your move when the move is performed by a professional mover or when you elect to move yourself, however, all your moving costs must be supported by paid receipts or other evidence of expenses incurred. In addition to the transportation costs of your personal property, certain other expenses may be reimbursable, such as packing, crating, unpacking and uncrating, and the disconnecting, dismantling, removing, reassembling, and reinstalling relocated machinery, equipment and other personal property.

Other expenses such as professional services necessary for planning and carrying out the move, temporary storage costs, and the cost of licenses, permits and certifications may also be reimbursable. This is not an inclusive list of moving related expenses. Your relocation counselor will provide you with a complete explanation of reimbursable expenses.

### **Estimated Cost Move**

If you agree to take full responsibility for all or part of the move of your operation, the Agency may approve a payment not to exceed the lower of two acceptable bids or estimates obtained by the Agency from qualified moving firms, moving consultants, or a qualified Agency staff employee. A low cost or uncomplicated move may be based on a single bid or estimate at the Agency's discretion. The advantage of this moving option is that it relieves you from documenting all moving expenses because the payment is limited to the amount of the lowest acceptable bid or estimate. The Agency may make the payment without additional documentation.

### **Direct Loss of Tangible Personal Property**

Displaced businesses, farms, and nonprofit organizations may be eligible for a payment for the actual direct loss of tangible personal property which is incurred as a result of the move or discontinuance of the operation. This payment is based on the lesser of the value of the item for continued use at the displacement site less the proceeds from its sale, or the estimated cost of moving the item. Your relocation counselor will explain this procedure in detail if this is a consideration for you.

## **Low Value High Bulk Property**

If an Agency considers a personal property item to be of low value and high bulk, and moving costs are disproportionate to its value (such as minerals, metals, rock, or topsoil), the allowable moving cost payment shall not exceed the lesser of the amount which would be received if the property were sold at the site, or, the replacement cost of a comparable quantity delivered to the new business location.

## **Searching Expenses for Replacement Property**

Displaced businesses, farms, and nonprofit organizations are entitled to reimbursement for actual, reasonable expenses incurred in searching for a replacement property, not to exceed \$2,500. Expenses may include transportation, meals, and lodging when away from home; the reasonable value of the time spent during the search; and other expenses determined to be reasonable and necessary by the Agency.

Fees paid to real estate agents or brokers to locate a replacement site may be reimbursed, exclusive of any commissions or fees related to the purchase of the site. Commissions and fees related to the purchase of a replacement site are not eligible relocation expenses and will not be reimbursed.

## RELATED ELIGIBLE EXPENSES

---

In addition to the moving expenses listed above, costs for these items may be reimbursed if the Agency determines they are actual, reasonable, and necessary:

- Connection to available nearby utilities from the right-of-way to improvements at the replacement site.
- Professional services to determine a sites' suitability for the displaced person's operation.
- Impact fees or one time assessments for heavy utility usage as determined necessary by the Agency.

Please discuss this with your relocation counselor before incurring these costs to assure that they are reimbursable.

## REESTABLISHMENT EXPENSES

---

A small business, farm, or nonprofit organization may be eligible for a payment, not to exceed \$10,000, for expenses actually incurred in relocating and reestablishing the enterprise at a replacement site. To qualify, the business, farm, or nonprofit organization must have not more than 500 employees working at the site who will be displaced by a program or project.

Reestablishment expenses may include, but are not limited to:

- Repairs or improvements to the replacement real property required by Federal, State, and local laws, codes or ordinances.

- Modifications to the replacement real property to make the structure(s) suitable for the operation.
- Construction and installation costs of exterior advertising signs.
- Redecoration or replacement such as painting, wallpapering, paneling, and carpeting when required by the condition of the replacement site.
- Advertising the replacement location.
- Estimated increased costs of operation at the replacement site during the first two years for items such as: lease or rental charges; personal or real property taxes; insurance premiums; utility charges (excluding impact fees).
- Other items that the Agency considers essential for reestablishment.

## **FIXED PAYMENT FOR ACTUAL MOVING EXPENSES (IN LIEU PAYMENT)**

---

Displaced businesses, farms, and nonprofit organizations may be eligible for a fixed payment in lieu of (in place of) actual moving expenses, personal property losses, searching expense, and reestablishment expenses. The fixed payment may not be less than \$1,000 nor more than \$20,000.

For a business to be eligible for a fixed payment, the Agency must determine the following:

- Business owns or rents personal property that must be moved due to the displacement.
- Business cannot be relocated without a substantial loss of its existing patronage.
- Business is not part of a commercial enterprise having more than three other businesses engaged in the same or similar activity which are under the same ownership and are not being displaced by the Agency.
- Business contributed materially to the income of the displaced business operator during the two taxable years prior to displacement.

Any business operation that is engaged solely in the rental of space to others is not eligible for a fixed payment. This includes the rental of space for residential or business purposes. Eligibility requirements for farms and nonprofit organizations are slightly different than business requirements. The computation for nonprofit organizations differs in that the payment is

computed on the basis of average annual gross revenues less administrative expenses for the two year period specified. If you are interested in a fixed payment, please consult your relocation counselor for additional information.

### Computation of Your Fixed Payment

The fixed payment for a displaced business or farm is based upon the average annual net earnings of the operation for the two taxable years immediately preceding the taxable year in which it was displaced, or a two-year period deemed more representative by the Agency. You must provide the Agency with proof of net earnings to support your claim. Proof of net earnings can be documented by income tax returns, certified financial statements, or other reasonable evidence acceptable to the Agency.

### Fixed Payment Example

2003	2004	2005
Annual Net Earnings \$16,500	Annual Net Earnings \$18,500	Year Displaced
Average annual net earnings $\$16,500 + \$18,500 = \$35,000 / 2 = \$17,500$ Fixed Payment = \$17,500
